

help your photos tell their story!

PRODUCTS included on this DVD

DVD contains:

- (2) 12x24 Foundations
- (4) Backgrounds
- (2) Photo Layouts
- (4) Transparent Overlays
- (3) Frames
- (12) Embellishments
- (16) Embellishment Basics

All Storyboard DVDs contain organized TIF files with everything layered, so you can easily turn layers on and off or drag-and-drop between files. Files are created with realistic drop shadows on separate layers to keep it authentic. Occasionally PNG files are included when layers aren't needed but transparency is. You can also incorporate elements from photoDUDS Booster Packs to further enhance your Storyboards.
