

PRODUCTS included on this CD

CD contains:

Brushes:

- (3) Circle Clusters
- (3) Flowers
- (3) Squiggles
- (6) Frames
- (6) Corners
- (11) Ornamental

BONUS Overlay & Template*!

Created from brushes included on this DVD.

Brushes include CS2 ABR file as well as individual PNGs, to make brushes in older versions. Template is a layered TIF file (compatible with Photoshop v.7 and higher).

Each flower brush includes separate brushes for creating outlined effects, as shown here

Layered TIFs also included to help in alignment.

SAMPLE IDEAS using products on this CD

* Template includes Vector Smart Objects, allowing unlimited enlargement while retaining resolution. Vector Smart Objects are recognized by Photoshop CS2 and higher. A template is also included without the Vector Smart Objects for those using Photoshop CS or below and other software.
